

Dear Friends,

I hope you are well and weathered the exceptionally cold winter back home. Jerusalem experienced a rainy, yet mild winter, which was the perfect antidote for the unique flora in our region. There is no better time to visit Jerusalem than during the springtime months, when the trees and flowers are in full bloom.

Please enjoy our latest newsletter, which provides you with a taste of what has been going on at the Inbal Hotel during the past few months. I look forward to welcoming you personally during the Pesach holidays. As we only have a few available rooms left, please be sure to make your reservations now! If you cannot make it to the Inbal for Pesach, you can at the very least bring Chef Itzik Barak's Pesach kitchen into your home by downloading his holiday recipe.

If you miss the unique beauty of Jerusalem, don't fret! Now you can peer into the Old City and watch life in Jerusalem as it happens "live", via our new webcam, which is located on the balcony of the hotel's Executive Lounge. Just log onto our Home Page and click on the camera link. Wishing you & your family a Chag Kasher Ve'Sameach

Kind Regards,

Bruno de Schuyter  
General Manager
